# Welcome to Maria's Gourmet Pasta Products

*For the past 25 years we have had the pleasure of serving New England the finest pasta made with the same two ingredients; Quality and Consistency.*

Growing up in Boston's North End, everyone knew someone who made good pasta. However, Maria Mancaniello made **great** pasta using family recipes handed down for generations. Combining the freshest ingredients from local neighborhood markets, creating the finest pasta, ravioli, tortellini, and gnocchi in town. I inherited her passion for pleasing everyone with delicious pasta.

While going to school I made deliveries for a fresh pasta company to all the local restaurants and started making fresh pasta at home every morning.

My desire for unique flavors and ingredients led me to start my own company. I borrowed Mom's recipes and opened my own shop.

All of our fresh ingredients are carefully chosen from the highest quality suppliers, farmers, and local vendors. Made in small batches, Maria's Gourmet Pasta creates classic Italian pasta bursting with unique, contemporary flavors. They tantalize the tongue, please the belly, and leave the excited diner yearning for more.

We hope you enjoy our special recipes and the homemade taste that has helped make Maria's Gourmet Pasta Products the company it is today. We thank you for believing in us since the beginning and for being an integral part of The Maria's Gourmet Pasta Family.

*Mangia Bene!!! Enjoy!*

Sincerely,

*Libby Mancaniello*

# Maria's Traditional Ravioli with Chunky Filling Section

Maria's Gourmet Pasta is proud to introduce our latest method for creating a beautiful, great tasting, over-stuffed ravioli. This new technique allows us to rough chop our ingredients into nice chunky pieces, then blend these chunks with the highest quality cheeses. The result is a delicious, fully seasoned, beautifully textured ravioli that excites the tongue.

All of our ingredients are carefully chosen from premium quality suppliers thus ensuring flavors that come together in a way that makes Maria's Gourmet Ravioli rise above any other ravioli on the market.
